## **STANDARD TARIFF OF CHARGES (STC):**

Unified Standard Tariff of Charges (STC) is mandatorily required to the bank for transactions and this manual contains details of standard charges that the Bank has determined to apply throughout the bank for its extended services.

Alterations to the tariff may be made only upon approval from Chief Executive Officer (CEO) or his alternate on his absence.

Any specific deviation that is required due to the competition or due to business needs shall be approved by CEO or his alternate on his absence or other officials to the extent of authority delegated. It is expected that such concessions/waivers will be used carefully with proper justifications and only if it contributes in maximizations of sales and customer satisfaction.

Separate approval from DCEO/Chief Executive Officer should be obtained while extending any banking products/services if any charges are not covered in this STC.

Any amendments on STC will be in the form of a complete document and will be notified through a Country Circular.

This Manual is the property of Prabhu Bank Ltd and must not be removed from its offices. For customer's reference, summary of service charges should be displayed at the visible places at bank's premises / Notice Board and also made available for view to general public/customers on bank's website.
